

## Quick Installation Guide for BUN10515

1. Attach the mounting bracket to the desired location on the wall or ceiling, wherever you want to install the camera. Locate a wall stud or ceiling joist and secure the mounting bracket using the supplied screws.
2. Attach the camera to the mounting bracket and firmly tighten the swivel.
3. Connect the one end of 60' cable ① to the Din jack on the rear of the camera and the other end of cable to the 2' cable ②. Make sure that two arrows on the top of them should be aimed at each other.
4. Connect the BNC (yellow) of the end of 2' ② to the one of camera inputs on the rear of DVR and DC jack (red) to AC adapter (ADT120250).
5. Connect the one end of 4' BNC cable ③ to the VIDEO OUT on the rear of DVR (CDR4060) and the other end of cable to the VIDEO INPUT (75Ω) on the rear of the monitor (C1401).
6. Plug the AC power cord ④ to the monitor (C1401) and AC outlet.
7. Press the POWER button on the front panel of monitor (C1401) and then press the VIDEO button.
8. Plug the DC plug ⑤ of AC adapter for DVR (DC12V 3.6A) to DC in on the rear of DVR and to AC outlet.
9. How to operate the DVR: refer to user's manual.
